# FRP/GRP PANEL & INSULATED SANDWICH PANEL

MANUFACTURING BY  
FULLY AUTOMATIC  
GEL COATED  
FRP/GRP PANEL PLANT

## WHY US ?

- ◆ Competitive price.
- ◆ Customized Product.
- ◆ In Time Delivery.
- ◆ High Strength but light weight.
- ◆ High UV resistance and Weathering Protection.
- ◆ Easily cleanable & Anti Corrosive.

## FOR EXTERIOR & INTERIOR LAYER OF

- ◆ Cold Room / Cold Storage
- ◆ Refrigerated Vehicles & Trailer side panel
- ◆ Light weight Structural Partition &
- ◆ Many other such applications.  
As per ASTM E-84 Class A or UL-94 V0.

## PLANT

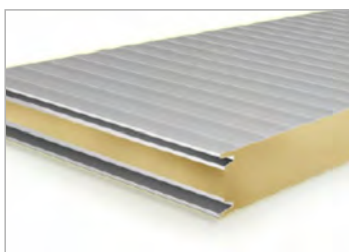

## HISTORY

Everest Composites Pvt. Ltd. is fast growing company with a strong technology base in the Composite area of fiber reinforced plastics (polymer) since 1991. Our company rapidly became leader in the development and manufacture of Quality FRP/ GRP panel, PUF insulated panel in India.

## PRODUCTS RANGE

- ◆ Flat Panel with different thickness from 0.8 to 4 mm
- ◆ Various Color as per Cliental requirement
- ◆ Fire Retardant grade up to ASTM E-84 Class A or UL-94 VO flammability
- ◆ Above Panel in Gel Coated & Non Gel Coated ranging from General Purpose to Chemical Resistant Grade Vinyl Ester
- ◆ FRP/GRP insulated (PUF, XPS, Glass Wool) Panel We also supply FOOD GRADE flat panel
